Presidents Report

Round 10 and we head into the bye round.

9 games at home makes for a busy day.

The canteen still continues to give us great service, the bar on a Sunday night is pumping and the Sunday night dinners are rocking the joint. Thanks Leta for the Nachos c/w chilli con-carne and thanks Shona for the chilli sauce!

We have taken supply of two new state state of the arts tills for the canteen and bar which makes sales much easier.

The new scoreboard is scheduled for the 18th of July so plenty is happening off the field.

The ball is fast approaching so get your tickets ASAP as seats are limited. \$50 per head is great value.

Fees are well and truly due so please ensure you are paid up.

Enjoy the break and I'll see you in two weeks.

Our young Cubs hosted an energetic Frankston Rovers team to clear the frost off the ground of what felt more like being at Mt Buller than Seaford.

Credit to our kids and their parents for with standing the cold conditions to put on some excellent football once the blood was circulating.

Goals were flowing with the highlight of the day being Teds contribution playing at full forward his persistence paying off for 2. Multiple day for Cire, Broadie braved illness to kick a great lefty from 30 out with Darcy & Cooper being ever reliable also scoring 2&1 respectively.

Couldn't have asked for much more from our Tigers with us losing approx 7 players on the day. We continued with rotations throughout the quarters to keep them active and the transitions didn't distract them from our weekly objective of ball movement/flow.

Well done to all of you for braving the conditions with a week off well deserved!

Go Tigers :)

Cheers,

Steve

We played Langwarrin at their home ground,

Yesterday, right from the start I knew we were in for a hard game with both teams going hard for the ball.

We stood up to all that Langy could throw at us and then started to play our game, with the likes of Alex, Prince, Jak, Kane and Max Speed Demond doing what they do best, we started to get on top of Langy.

But the reason we went on to have such a positive draw wasn't because of those boys doing what they do best, it was because each and every one of the boys played their part.

There is no better feeling as a coach then when you see the boys start working as a team and that's what happened yesterday.

We had Cooper and Thomas Bacon attacking the football all day, Nathan took his first mark and kick, as did Lachlan Poole First mark anyway then took his seconded not long after that, Sonny stood tall all day and almost took mark off the day, Chris Miller Captain for the day played outstanding football in the backline making sure it was very hard for Langy to score as did Big Max who also had a run in the ruck.

First Goal to Stephen who also played his best game for us holding the backline up in the first half, Jai chimed in with his best game so far as well with a couple of marks and nice kicking, and the ever reliable Armani doing exactly what I asked him to do!

Outstanding games from Heal's (Jacob), Tyler and Jacob T, I am looking forward to watching all of you gaining the confidence to use and improve all your skills.

Seaford Yellow vs Edithvale Aspendale Eagles @ Belvedere Reserve Oval 2
Captain Daniel Budge and Christian Dibenedetto

A superb effort of team football by the boy's today on what was the coldest day of the season so far. Lachlan Dowling and Cooper Bromley were unavailable today and were replaced in the line up by Lars and Zac Earle from the under 9's, well done both boy's on great efforts today. This left our line up with 2 interchange players which was shuffled around consistently making sure all players had a spell on the bench, (except for two who I didn't get off, Isaac and Christian).

In the first quarter Lochie Dalton was attacking the footy with vigour and setting up team mates with his well executed disposal. Zac Wilson was pulling out all the tricks from his bag of magic and using his sublime skills to trick opposition players, one example was a nice underground handball in defence to set up a forward thrust. Bailey was looking dangerous on the half forward line getting involved in multiple stoppages. Whilst Daniel was using his initiative to go back in defence and help out his team mates. We were kicking against the wind in the first quarter and due to some very fine work by the backline we able to hold the eagles to 5 behinds and no majors, whilst we were unable to trouble the scoreboard. Jackson was using good vision after marking well to feed out a handball to a fast running Tarj.

In the second quarter Mason came out bustling and proved a hard man to tackle as he worked tirelessly out from the half backline. Jed was dangerous across half forward marking well and driving long into the forward line, setting up Phoenix who worked well in tight space creating a goal out of nothing and registering us on the board. The coach was delighted with Zac Wilson, Tarj and Lochie who were following team instructions to the letter and forming a wall across our 50 meter arch. Tarj was on the end of an eagle turnover kick whilst on the arch and capitalised truly kicking a long bomb through the big sticks. Bailey was again amongst it finishing off with our third goal of the quarter utilising our opportunities with the wind.

The boys had a breather at the half time break whilst the coach went over the whiteboard for the third quarter. I asked the boys for a big effort in defence for this quarter as the majority of play so far had been in the clubroom end of the oval due to a stiff breeze. To my delight the boys came out full of attack and worked the ball forward for the first several minutes of the quarter against the strong breeze and managed to put the eagles on the back foot. The defence of Ben, Kris, Bailey, Jed, Shae and Phoenix held strongly under extreme pressure only allowing 1 goal for the quarter. Whilst our forwards were unlucky with Jai and Lochie finishing with a point each for the quarter.

In the fourth quarter Lars was leading from the front with his relentless second efforts at the footy. Kris lifted after going into the ruck rover position and was having a ripping quarter marking, bouncing and kicking long into our forwards. Fionn was playing selfless team oriented football looking for his team mates in position and skilfully delivering. He set up Daniel with a couple of nice passes to Daniel's advantage with Daniel getting 2 points for the quarter with 1 hitting the post robbing him of his first goal for the tigers. Tarj was in everything kicking his second goal of the game. And Fionn was rewarded for his excellent endeavours slotting through a goal after setting up several scoring opportunities.

Well done to the Edithvale - Aspendale Eagles Football Club under 10 team for an extremely entertaining and well played game of football. The Eagles are a well disciplined, team oriented group who show great sportsmanship.

There will be no training this Tuesday as we have a bye for school holidays. Training will commence again on Tuesday 18th July at Norm Cathie Oval, starting time 4.15pm.

A big thank you to our coaching co-ordinator Macca who will be stepping in to take the session whilst I am away.

Best players: Jed, Jake, Zac W, Fionn, Tarj, Kris, The entire Backline

Goal Kickers: Tarj 2, Bailey 1, Phoenix 1, Fionn 1

Today we took on Mt Eliza, both sides equal first on the ladder, so we knew it was going to be a hard contest.

The weather turned it on for a good day of football, and during the week the team was pumped.

The day started off with 17 players down from the usual 25, so we were short.

The start of the game we where on fire with Bailey winning the ball all over the ground, and poppy gathering a few kicks, Callum and Jarod firing in defence.

Half time we where down by a few points as the contest was tight all day, Zane and Orion playing well and the whole team was playing good footy, although we started playing from behind not in front.

Young tissy was ko'd in the last quarter and taken off in an ambulance.

End result we went down by 13 points with 16 playing in the last quarter and playing from behind.

Today we should have won but now as a team we know what we need to improve come finals time.

Under 12 Girls

After a big build up as we faced the side that was sitting second Chelsea, we showed why we are currently undefeated.

With all girls playing a big part we had a very even first quarter, but from then on we dominated the game winning by about 10 goals.

With girls like Mikayla ,Dakota , Indy ,Abbey and Jayme all playing very solid games it allowed all the others to gain confidence and work really hard to win the footy.

It's great to see how all the girls are really developing their skills and learning to play the way we are asked.

Great to see Chloe get her first goal !

Keep working and take nothing for granted and the results will come your way.

Go girls

Today led by our Fantastic Coach

We played on the Main Oval at Home against the Dolphins Red.

Captains today were Ben Stewart, Harvey and Cameron.

Coach had 23 available for selection today.

The boys came out firing in the first quarter today scoring 26 points and keeping Frankston scoreless.

Second quarter we decided to give them a sniff and they scored 16 and kept us to zip!!

3rd Quarter the boys dug deep and worked together to score 29 points to Frankston 14.

Goal Kickers today were Hawk, Brayden, Owen, JB, Brodie and Jay

Final Score was Seaford 54 : Frankston 30 improving on the last time we played them when we only won by 8!! 4 weeks to go of the home and away season, then into the finals for 2017!

We had four players today help the Frankston Red for 1.5 qtrs. great sportsmanship boys.

Best Players Today: Lachlan, Corey, Noah, Brock ,Brayden, Brodie ,Brodie, Brodie, Ethan, Charlie , Charlie S, Harvey, Jack, Riley, Owen, Orlando, JB, Jay, Hawk , Seth Cane, Mikey, Orlando

I've been asked by Shane to write the weekly match report , which I've happily accepted . Having won 3 of our past 4 we headed down to Mt.Eliza to play the last placed Mt.Eliza Reds. I myself was guilty of thinking this was our chance of some much needed percentage , and the way the boys started I think they were thinking the same thing . We were second to the ball , we were dare I say it lacking EFFORT . We rallied late in the term to come in down 2.1.13 to 3.1.19 . We lifted a little in the second term but we were still reactive , it was soon pretty clear that they weren't going away and we had a fight on our hands . We came in at halftime up 5.5.35 to 5.3.33. It was goal for goal for the first 15 minutes of the third before a couple of late goals had us up 10.7.67 to 8.6.54 at 3/4 time . The writing was on the wall , late in the qtr we were starting to play "our brand " of footy.

The final term was one of complete domination . We were running hard , linking up and hitting targets by foot . We kicked 8.2.50 to 2.4.16 for the qtr . Boys we need to take things out of each and every game . What I took out of the game was

1. If you're not quite switched on the opposition can get the jump and gain confidence
2. Our best footy is as good as anyone's and as a spectator it's exciting to watch.

Individual improvement has resulted in great team improvement . After starting the season 0-5 we're now 4-6 and only percentage out of the 4 . A week off before playing langy, rest up boys and let's hit langy with everything.

Final scores Seaford 18.9.117 Mt.Eliza 10.10.70

Goal Kickers : Max 6, Brodie K 3, Brodie S 3 , Moggy 2, Chance 2, Riley and Woz 1

Best : I was going to write team but that would be a cop out

Seaford Yellows lost to Mt Eliza Mounties

Hi All

Today we went to Mt Eliza for the second week in a row.

In the 1st. After letting them get 2 quick goal in the first few minutes we started to get our hands on the ball and fought our way back into the game to be only 5p down.

In the 2nd. the game was a real arm wrestle with both teams not giving an inch. I said to the boys at 1/2 time we need to lower our eyes and STOP bombing the ball and try to hit up some leads. Still 5p down.

In the 3rd. With both teams wasting their opportunities in front of goals to put the other away it was still a close contest. We were down by 4p.

In the last. Mt Eliza came out and kicked the first 3 goals of the quarter and put us on the back foot. We tried hard to get back into the game and got with in 5p but we ran out of steam and lost by 11p.

Lesson for the day. We can't just BOMB BOMB BOMB the ball all day and expect everyone to mark the ball and our forwards need to make stronger leads. To Bull, Mitch and Matt our last line of defence you all played fantastic today.

Final score: Seaford 1.4 (10) lost to Bonbeach 8.6 (54)

After a week of noise being made on social media between our players and the opposition predicting the outcome of today's match, our team were pumped, psyched and really looking forward to getting stuck in for round 10.

We made our way to the ground to get started and lo and behold the league had not allocated an umpire to our game. The Bonbeach coach was approached to assist with the umpiring duties however for reasons unknown he declined. Moving on.

First quarter and we looked good keeping Bonbeach to just one straight kick the difference.

Second quarter and things started to go pear shaped as we allowed them to kick three goals to our none. We seemed to have forgotten about getting the ball and were more interested in having an argument with the Bonbeach players which did not do us any favours.

Third quarter and we played our best quarter of the game so far. Kizz, on the back of having her tonsils out last week, kicked her first goal and we were now on our way.

Fourth quarter and unfortunately we weren't involved in the game. We didn't man up, run to contests, support each other, and want the ball more than anyone else which resulted in Bonbeach kicking four goals to our one point. There were some inspiring passages of play from Schmidt, Kizz, Spaz, Rhannon and Tab, however these were few and far between.

Although the scoreboard doesn't show it today, I have no doubt if we performed like we did last weekend, the outcome would have been reversed and we would most definitely be celebrating.

Huge thanks to Jen, Matt, Narelle, Anthony, Pauline, Fiona, Lachlan, Smithy, Damo and Julie for ensuring our team was able to take the field with the necessary volunteers in place.

Extra special mention to Paul for taking care of the interchange and coaching duties from the coaches box. Love your work.

And finally. School holidays are here which means there will be no training next week. Training will recommence on Thursday 13th July just prior to round 11.

Enjoy the break and remember we only have 3 games left for the 2017 season.

Goals: 1 Kizz

Best Players: Emily , Loz, Kizz, Spaz, Schmidt, Rhannon, Shark, Tab, Symmo

Today was the day we had to make a statement about what we wanted to do this year, against an opposition that was still hurting from the last time we played them. All I asked for was an effort and attack on the ball from the first bounce.

I knew today wasn't going to be our day. Every bounce that could go their way they got and we had Razor Ray Chamberlain making an appearance in green.

We went down by the maximum and there were a few bright sparks, being Matty and Vella who played their hearts out and Riley and Blake were also one of the best on the ground.

Seaford U18 Girls vs Mt. Eliza Blue

Final score: 4.10 (34) d 3.4 (22)

----- Game Summary -----

1 V 2 always has an expectation to it, today was no exception.

I rate the Blues highly, they were great the first time round and they didn't disappoint today.

We spoke about starting fast, starting hard and hunting the ball and the ball carrier.

We started well, dominating the best part of the 1/4 but we couldn't put the scoreboard pressure on that we wanted.

The second was pretty much the same but we were leading and dominating general play.

The 3rd was an arm wrestle but we continued to hold sway with Macca and Browndog marshalling the troops, Brooke was tight down back and Killers don't argues are legendary.

We took a small lead into the last and held our nerve to run out winners by a couple of goals.

We don't lose milestone games and with Bridg and Tilly playing their 50th games we weren't going to lose.

Both girls are highly respected in the team and rightly so, they give their all.

They both give 100% every time they go near the ball and as a coach that's all you can ask for.

Congrats girls on 50 fantastic games for the SJFC.

Enjoy the week off, we are heading into the pointy end of the season and training intensity will increase.

Now is the time to commit to training and start attending regularly. I want to do more midfield drills etc but I need numbers at training.

Game time will be affected. Remember, I take an attendance record.

Goals: 1 K.Davenport , 1 P.Inglis , 1 A.Broomhall , 1 A.Sullivan

Best Players: M.McDonald, T.Giddings, B.Lehner, K.Davenport , B.Pawsey, E.Browning , M.Nanya, P.Inglis, T.St.Anne
